

Houston Psychological Foundation Grant Request Form

Michael D. Cox, Ph.D. Memorial Fund

The Houston Psychological Foundation (HPF) is organized exclusively for charitable, educational, and scientific purposes to promote the field of psychology. The corporation provides grants to individuals and organizations to advance the science and the practice of psychology.

The Michael D. Cox, Ph.D. Memorial Fund for Intern Education is exclusively for doctoral students enrolled in a Houston psychology internship program which is APIC accredited. The grant covers the cost of a doctoral level intern to attend monthly continuing education programs sponsored by the Houston Psychological Association.

Please complete the following information and submit this form to a representative of HPA:
